

**Level 1 & Level 2 Coaching**  
 For senior stable staff to gain skills to coach and develop those starting their careers in racing.

**Level 6 Stable Staff**  
 For those with minimum 2 years industry experience and the next step from Level 5 courses. Offers career progression into senior yard roles, racecourse work and training opportunities.

**Level 5 Stable Staff Options**  
 Existing stable staff wishing to develop and upskill within the workplace encompassing every day activities with limited disruption to the yard 4 NPAs to choose from.

**Level 5 Full Time Work Based**  
 For those who are hoping to use their equine knowledge and skills to gain employment in the horseracing industry.

**Apprenticeships**  
 Level 5 & Level 6 Horse Care and Racing Apprenticeship options

**Entry Level 4 Horse Care**  
 A great starting point for those with little to no experience with horses.

Already working in the industry and looking to upskill and progress?

Do you enjoy the excitement of horse racing but unsure how to get into the industry?
